NEW HOLSTEIN UTILITIES/WPPI SCHOLARSHIP

Scholarship Information

New Holstein Utilities (NHU) and our wholesale power provider, WPPI Energy, are pleased to offer scholarships to students of the upcoming graduating class. Both utilities are proud to support students in their pursuit of post-secondary education and job training.

Eligibility Requirements

1. The student must be a member of the current year's high school graduating class.
2. The student's parent(s) or legal guardian(s) must be a customer of New Holstein Utilities.
3. The student must be attending either a technical school job training program or a 4-year university. The student will have 1½ years from their graduation date to use the scholarship.

Selection Process

1. The recipients are chosen at random via a drawing. The drawing will be held on the first business day after the scholarship due date.

Scholarship Award and Payment

1. The scholarship recipients will be announced at the students' high school scholarship awards program.
2. The scholarship will be paid to the recipients following completion of their first semester of study at their post-secondary school. Students must present to NHU a copy of a fee statement or other proof of enrollment (i.e. class registration) for the second semester to receive their scholarship.
